

# Stefanie Dreyer

TV-Presenter - Journalist - Economist

**Stefanie-** has studied with a scholarship TV-journalism at the International-Journalism-Center in Austria. In Hamburg she got a degree in presentation skills and media techniques as well as an MBA in Economics.

She has been on the air for various TV-shows and works as a freelance editor for production companies.

For almost 10 years she has lived overseas in various parts of the world including the USA, Japan and Cambodia. Besides working for broadcasting companies, Stefanie also works as a host for conferences and panel discussions as well as a presenter for trade fairs and events. Stef gained her experience while training at RTL television, NDR (Northern German Broadcasting and ZDF (Second German Television).

With a scholarship from the European commission she was part of an executive training program in Tokyo and studied at the Sophia University International Management. In 2013 Stefanie was chosen for the mentoring program of the DJV (German Federation of Journalists). She is always prepared and can explain the most complicated and difficult details. She speaks English, French and Japanese.
